

Livingston County Trauma Informed Assessment Eligibility Requirements

Child IS:

- A Livingston County Resident (Livingston County jurisdiction)
- SED (Serious Emotional Disturbance) SED is a diagnosable mental, behavioral or emotional disorder affecting a child that exists or has existed during the past year for a period of time sufficient to meet diagnostic criteria specified in the most recent Diagnostic and Statistical Manual of Mental Disorders; and has resulted in functional impairment that substantially interferes with or limits the child's role or functioning in family, school or community activities. Typically a CAFAS score of 50 or higher is considered SED.
- 0-18 years of age
- Has experienced trauma, abuse or neglect

AND

Is at risk of or in out of home placement

OR

Is or has received services from multiple systems or agencies

OR

Is receiving community services but continues to escalate or is not benefiting from those services
